CEREMONIES & DRILL

UNIFORM SPECIFICATIONS

PATHFINDER UNIFORM

- The Pathfinder uniform helps make the Pathfinder program real and visible. It is emblematic and representative of the worldwide club's ideals and standards.

- Each individual member becomes a very vital representative of the organization, and wearing the uniform will help to provide a consciousness of belonging to a club that rightly represents the Adventist youth of today. If the uniform is worn as ordinary clothing it will have failed in its purpose.

- The uniform should always be neat and clean. To wear it commonly for ordinary play or work lowers its dignity. The Pathfinder Club program should be so valuable to each member that the uniform will be acquired and worn with enthusiasm.

UNIFORMS SHOULD BE WORN:

- At all Pathfinder meetings
- At any public gathering when any or all act as: Messengers, Ushers, Guard of honor, Color Guards
- On occasions as specified by Pathfinder director

UNIFORMS SHOULD NOT BE WORN:

- By nonmembers
- When engaged in selling or solicitation for personal profit, or for commercial or political purposes
- At any time or place when it’s wearing discounts the organization or casts reflection upon the uniform, lowers its dignity and esteem, and makes it commonplace.

MILITARISM

- The use of a uniform in Pathfindering provides many positive results. It meets certain psychological needs of the Pathfinder age bracket; it encourages what could be called upgraded behavior; and it provides a sense of cohesiveness.

- In most regions the official uniform adopted in many ways resembles local military uniforms as local laws will or will not allow. While this is acceptable to a degree, those who have the decision making authority must be very careful to ***NOT CREATE NOR ALLOW MILITARISM TO CREEP INTO PATHFINDERING.***

WHAT IS MILITARISM

- Militarism is defined as the use of military discipline and the wholesale adoption of military-style uniforms that would create confusion in the minds of those who do not know what Pathfindering represents.

- Around the world there are governments that are very sensitive to the existence of paramilitary organizations. Pathfindering in other parts of the world cannot be seen by these governments as involved in training guerrilla or terrorist-type personnel. Camouflage, ***combat boots***, “blousing” of pant legs, and other similar military practices in uniforms should not be used at all.

- No military insignia are allowed. The ***Pathfinder scarf should always be worn as part of the dress (especially Class A) uniform to distance it from the traditional military uniform.***
- Attaching weapons to dress uniforms such as swords, bayonets, or machetes and guns ***even if they are fake ones should not be allowed even in drill ceremonies.***

INDUCTIOIN TABLE

SCRIPT FOR CEREMONY

- After the director has given a briefing of the program procedure to the candidates and special guests, he or she pronounces: “I hereby declare the induction ceremony of the _____ Pathfinder Club now in order.” (The room is darkened.)
- The director lights the “Spirit of Pathfindering” candle while saying: **“For the light of our program we turn to the Spirit of Pathfindering. The candle that I now light represents this spirit. It is the spirit of adventure, fun, learning, camaraderie, awareness, and awakening, and above all, a spirit of reverence and a Spirit of Service to God and man. This light is of itself not complete or sufficient. To introduce the complementary lights we call on our deputy director, _____.” (name)**

While lighting each candle representing it, the Deputy Director defines the six classes as follows: (six pathfinders may present the following as well.)

Friend Class is a course of study in learning, skills, and physical fitness that will help one to be a better neighbor now and a friend of God throughout eternity.

Companion Class is a course of study in learning, skills, and physical fitness that will give more meaning to life and a companionship with Jesus Christ every hour of the day.

Explorer Class is a course of study that will help one to find new adventure in exploring God's world to secure true and genuine happiness.

Ranger Class is a course of study that will open up new areas of discovery in the natural and spiritual world to secure true and genuine happiness.

Voyager Class is a course of study in physical, mental, cultural, and spiritual development that challenges the teen to develop a wholesome self-concept and Christian life-style.

Guide Class is a course of study that emphasizes personal growth and spiritual discoveries and prepares the Pathfinder for development of new skills in leadership and survival techniques.

- When the six Pathfinder Class candles have been lit, the **director replaces the "Spirit of Pathfindering" candle in its original position.** He then explains to the candidate that the large candle is symbolic of the Pathfinder program, emphasizing the high ideals for which the club stands and the growth that the Pathfinder will make as a club member.
- He then calls upon the Pathfinders to proceed with the ceremony of lighting the Pathfinder Law candles.

Eight of the ***highest-ranked Pathfinders***, previously chosen, light the Pathfinder Law candles. Their selection is on the basis of Pathfinder Class, club office, club record, Pathfinder Excellence ribbon, etc.

Each of the eight Pathfinders marches smartly to the front, salutes the director with a hand salute, takes the “Spirit of Pathfindering” candle and lights one of the Pathfinder Law candles.

- After the Pathfinder replaces the “Spirit of Pathfindering” candle he again salutes the director and repeats, ***“Sir, I represent the candidate(s) who hereby vow(s) to***: (repeats one of the following definitions according to the candle he has lit.”

“Keep the Morning Watch,”

meaning I will have prayer and personal Bible study each day.

“Do my honest part,” meaning by the power of God I will help others, and do my duty and my honest share, wherever I may be.

“Care for my body,” meaning I will be temperate in all things and strive to reach a high standard of physical fitness.

“Keep a level eye,” meaning I will not lie, cheat or deceive, and will despise dirty talk or evil thinking.

"Be courteous and obedient," meaning I will be kind and thoughtful of others, reflecting the love of Jesus in all my association with others.

"Walk softly in the sanctuary," meaning in any devotional exercise I will be quiet, careful, and reverent.

“Keep a song in my heart,” meaning I will be cheerful and happy and let the influence of my life be as sunshine to others.

"Go on God's errands,"

meaning I will always be ready to share my faith and go about doing good as did Jesus.

- When the Pathfinder Law candles have all been lit, the deputy director declares, **“On behalf of the worldwide Pathfinder Club I accept the candidate’s vow to observe the Pathfinder Law.”**

- The director then calls for the lighting of the Pathfinder Pledge candles. The same procedure as used in the lighting of the Pathfinder Law candles is followed by seven high-ranking Pathfinders.

- After each candle is lit, the Pathfinder repeats to the director, ***“Sir, I represent the candidate(s), who pledge(s)*** (repeats one of the following points according to the candle he has lit).”

"By the grace of God," meaning that only as I rely on God to help me, can I do His will.

"I will be pure," meaning I will not only be considerate and kind to my fellow men but also to all of God's creation.

"I will be kind" meaning that I will rise above the wicked world in which I live and keep my life clean with words and actions that will make others happy.

"I will be true," meaning I will be honest and upright in study, work and play and can always be counted upon to do my very best.

"I will keep the Pathfinder Law," meaning I will seek to understand the meaning of the Pathfinder Law and will strive to live up to its spirit, realizing that obedience to law is essential in any organization.

"I will be a servant of God," meaning I will pledge myself to serve God first, last and best in everything I am called upon to be or do.

"I will be a friend to man," meaning I will live to bless others and do unto them as I would have them do unto me.

- At the completion of the lighting of the Pathfinder Pledge candles, the deputy director declares, **“On behalf of the worldwide Pathfinder Club I accept the candidate’s vow to live by the Pathfinder Pledge.”**

- The director then asks the club members to stand, and the candidate(s) for membership is/are called forward to take position in front of the table between the deputy director and the director, facing the club members and standing at attention.

- The director then asks him/them to affirm dedication to the high principles of the Pathfinder Club and repeat the Pathfinder Pledge and Law. (If more than one candidate are presented, the Pathfinder Pledge and Law are repeated in unison.)

Following the repeating of the Pathfinder Pledge and Law by the candidate,

- The director states, “We hereby declare_____ (Name of candidate) accepted into the fellowship of the _____ Pathfinder Club of the _____ Conference/Mission of Seventh-day Adventists. You are now being presented with a candle, (deputy director hands candidate a four-inch white candle) which you may now light from the ‘Spirit of Pathfindering’ candle, and place in the candleholder on the front center of the table. …

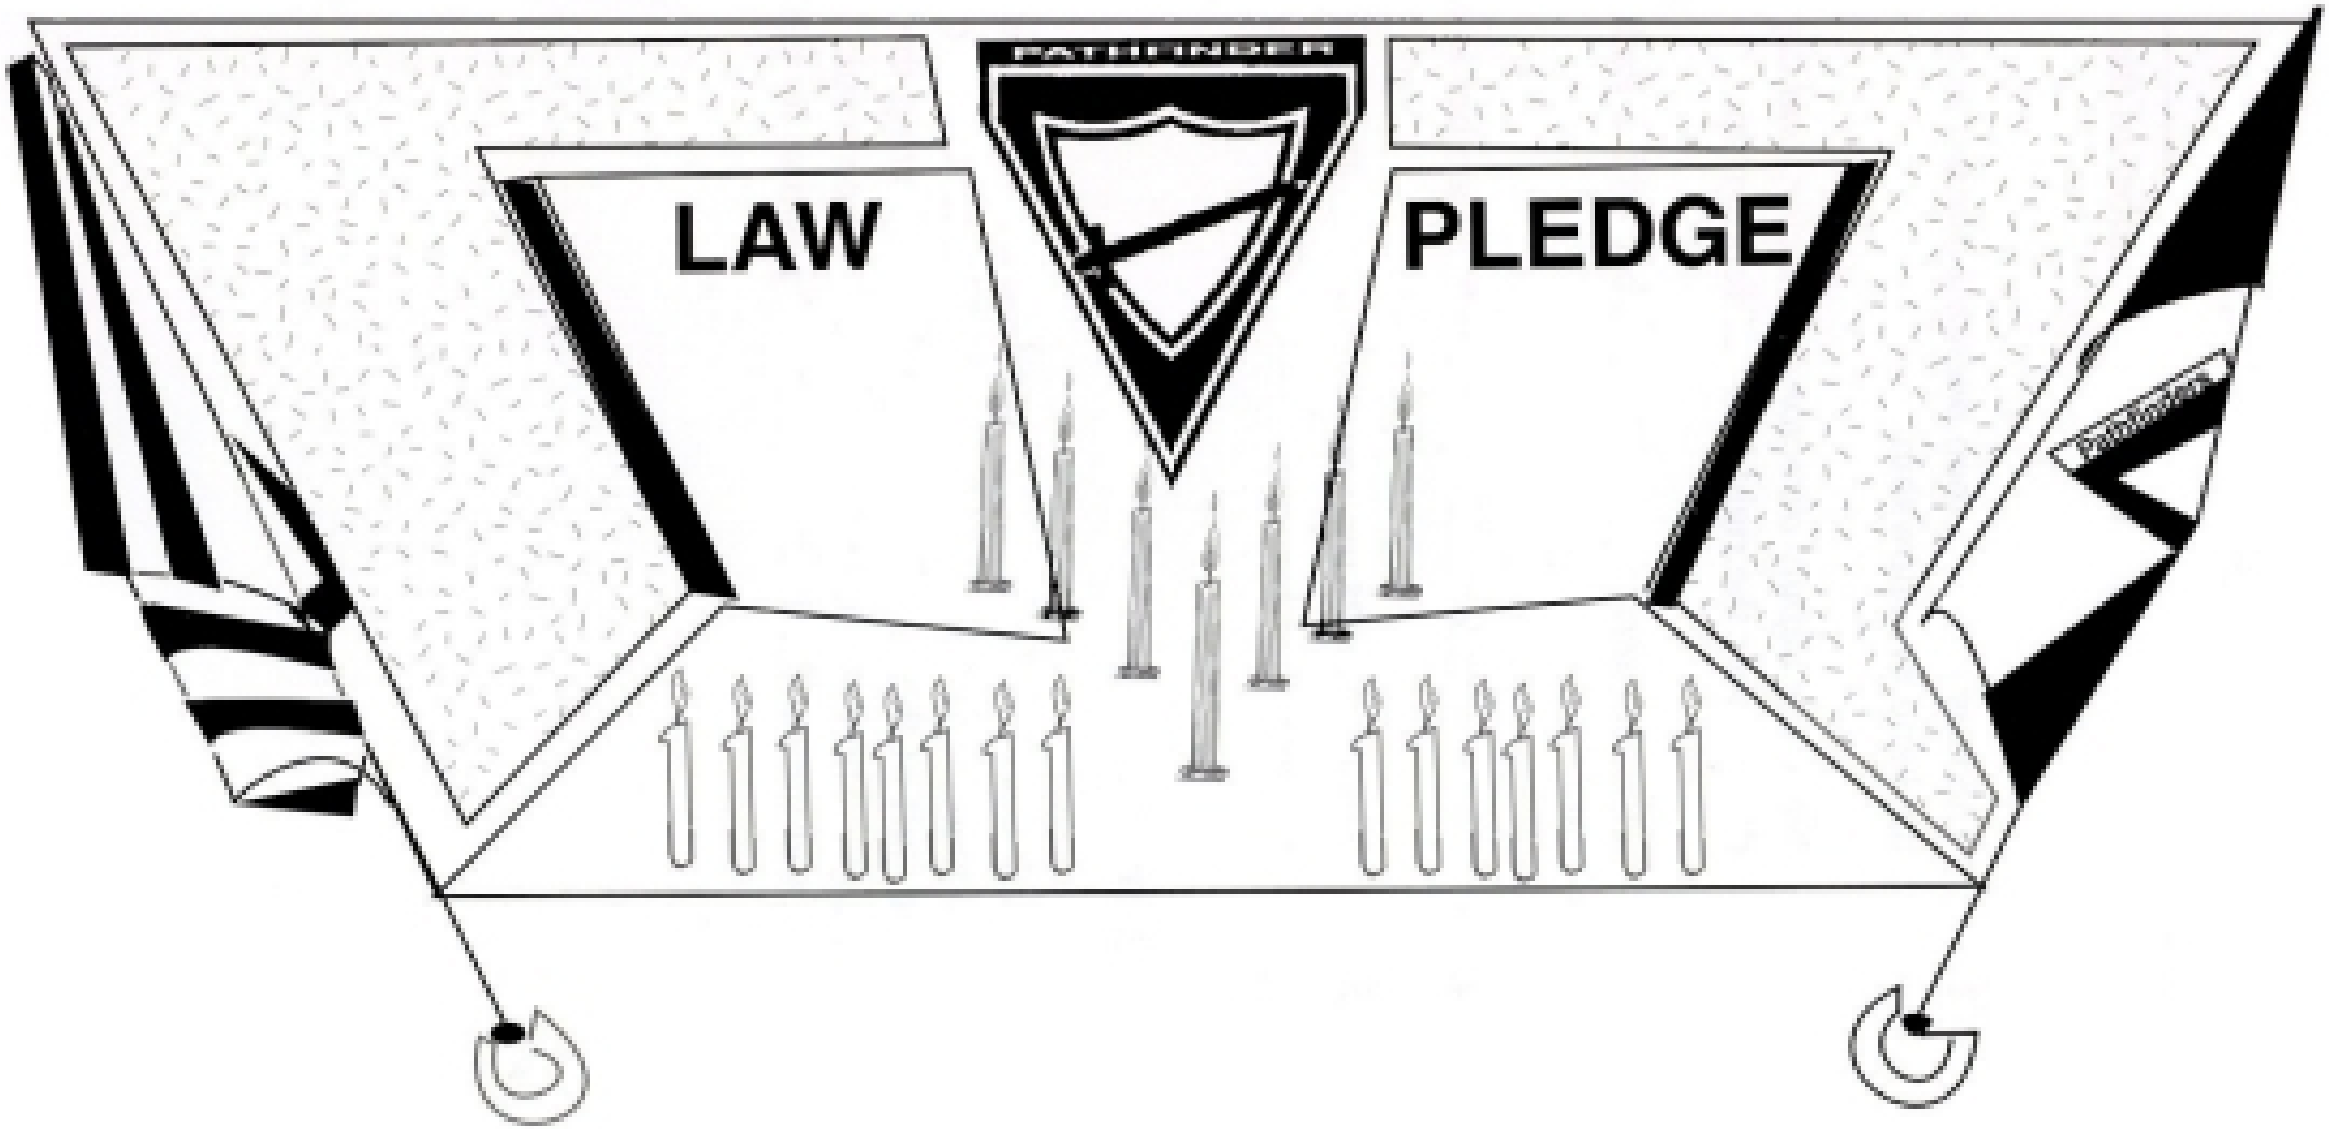

… Your light is now added to our club, and we charge you in the presence of these Pathfinders to let your light shine before others in the Spirit of Pathfindering. We shall now ask our deputy director to pray that God will give you strength to live up to the high ideals of our club and to be a faithful and loyal club member.”

- The **deputy director** leads out in a prayer of consecration for the new member(s), while the club stands at prayer attention.
- The **director** then declares, "_____" (name of new member), you are now a full-fledged member of the _____ Pathfinder Club."

In conclusion

1. The new member then presents himself to the director to receive the hand of fellowship and the Pathfinder scarf.
2. Next, the deputy director, counselor, and captain of his unit give the member the right hand of fellowship.
3. The club scribe presents member with a Pathfinder membership / Progressive Class card.
4. The counselor and captain usher member to assigned unit.
5. The club sings the Pathfinder Song, and the lights are turned on, which brings the induction ceremony to a close.

INDUCTIOIN TABLE

ALTERNATIVE PROCEDURES

If a club does not desire to use candles, a similar procedure may be followed using only flags and banners.

- ✓The candidate may place both hands on the staff of the Pathfinder Flag while repeating the Pathfinder Pledge and Law. The Pathfinder Flag in this instance would be removed from its stand and the staff held in a horizontal position by the deputy director.

INVESTITURE SERVICE

- **Preparation**

- Usually the Pathfinder leader will notify the conference/Field youth director that the candidates are ready for Investiture, and a date is set for the meeting.
- The Investiture service will be conducted by the **conference/Field youth director** or a designated and qualified person, preferably a Master Guide.

INVESTITURE SERVICE

- Before the investiture, all the requirements must have been completed and the permanent signed-off Pathfinder Class record card, should be presented to the investing official when requested.

INVESTITURE SERVICE

- To maintain a high standard of achievement, spot testing of candidates is useful, especially in the case of **Master Guides**.

PROGRAM

- Perhaps nothing in connection with the Pathfinder Classwork affords a greater opportunity to demonstrate to the members of the church what is being done, than the Investiture service. It is important; therefore, that the program be conducted in the most dignified manner and in a way that will stir in every heart a desire to do more for the encouragement and salvation of our youth.

PROGRAM

- The purpose of the Investiture program is to provide an opportunity to:

1. Recognize those who have completed their Pathfinder Classwork.
2. Inspire those not involved in the work to do so. Inform the church and community what the Pathfinder Club is all about.
3. Communicate to the youth the plans for future events.

PROGRAM

- Beyond the actual insignia presentation, program content is left largely to the creativity of those responsible. An action oriented, inspirational content works best. For instance, include skits showing community service and witnessing, recitation of memory work, and demonstration of skills related to class requirements.

PROGRAM

- Since the Pledge and Law are central to the training involved in the club, stress them whenever possible.

Standard program features should be:

i. satisfactory evidence of understanding and completed work by the candidates

ii. a challenge to loyalty to God, the church, and club (to the class group and to the worldwide circle of Pathfinders)

iii. a charge for responsibility to be loyal and a word and handclasp of welcome by Master Guides who may be present.

PROGRAM

Be original, romantic, spiritual, and impressive.
